Cabies from London late in the day caused hearty laughter in the street. They were to the effect that British speculators operating through curb brokers at 7.30 in the evening there were in a wiid state of excitement over the startling advance in the price of Northern Pacific and were endeavoring to cover their short sales around 133.

Just before the close money loaned at 4 to 41-2 per cent, and the market generally reacted with considerable spirit.

The total sales of stocks to-day were 2,333,800 shares, and of bonds \$1,820,000.

Customers of the firm are said to have been "short" on stocks and were unable to produce sufficient margins to meet the advance, thus throwing the obligations on Jamieson & Co. The amount of habilities is \$20,000.

Funds which Mr. Jamieson expected to receive failed to reach him to-day, with the result that he was compelled to order all deals closed.

The scalor member of the firm is a nember of the New York Stock Ex-shange, having joined last year. So far as can be learned the firm has no contracts on the local exchange.

ICE COMPANY BANKRUPT.
